Manager - to be advised

Dear Rep Parents,

This year Rockhampton Rep Teams will only compete in the CDC competition. Basketball Queensland have advised that we will not be participating in the QNJBC competition. The RBI and Junior Rep Committee are looking for additional opportunities for our representative teams to prepare for the State Championships and we will provide advice on these opportunities as soon as they are available. We are still working through the finer details of the 2019 Rep program, I've provided a basic overview below.

Transport & Accommodation to Carnivals

CDC

As with previous years transport and accommodation for CDC's will remain the responsibility of parents.

State Championships

Parents will be responsible for transporting their child to the State Championship host city. The team will be accommodated together with coaching staff responsible for ground transport to and from the stadium each day. Players will be provide 3 main meals each day along with recovery food after each game.

2019 Rep Fees

Current budget estimates suggest that that fees for U18's will sit somewhere in the below range.

U18 Boys: \$1300—\$1400

U18 Girls: \$1000—\$1200

As with past years, payment schedules will be set up with the final payment to be finalized closer to the date to allow for a more accurate figure. RBI will not be providing refunds this year. As such we will clearly outline the costs of each program once the budget is set to ensure as much transparency as possible.
