1. Maintain personal habits of health conducive to sporting excellence.
2. Abide by both rules and spirit of my sport.
3. Neither take nor use drugs nor participate in other practices prohibited under this program (in other words no smoking, no alcohol, no drugs).
4. Agree that if the official in charge or nominated supervisor at the time reasonably suspects that I am under the influence of drugs or have participated in other practices prohibited under this program, I understand that I will be immediately sent home and therefore removed from playing representative basketball.
5. Strive to increase my standards at each practice and develop a professional attitude to basketball.
6. Communicate with team members throughout practice, talking it up both on offence, defence and from the bench, give maximum effort during each practice and game and help my teammates be involved while having fun.
7. Be committed to the program, which includes attendance at all practice and games unless a valid excuse is given to the coach or team manager.
8. Learn to handle both praise and criticism. (The coaches are trying to help you improve and learn the game of basketball. Don't be over sensitive. Don't take things personally. Handle constructive criticism positively and strive to improve your weakness).
9. Be loyal to my friends, team mates, coaches and the basketball program and receive their loyalty in return.
10. Assist with fundraising activities as requested by the association or team management.
11. Control my temper. Verbal abuse of officials and sledging other players to deliberately provoke an opponent are not acceptable and will not be tolerated by RBI.
12. Not bring the game of basketball or Rockhampton Basketball Incorporated into disrepute in any shape or form.
13. Play hard and aggressively but fair at all times.
14. Show good sportsmanship at all times.
