Appropriate receipts and records must be made/kept of all revenue and expenditures. Fundraising will be done as mentioned previously on a "team by team" basis, and the funds raised will go to all members of that particular team (if there are 8 members on the team then the funds are divided by 8, if 9 then 9, and so on).

### 5.2 Fundraising Guidelines

- All Fundraising activities need to be advised in writing to the RBI General Manager for approval before the commencement of the fundraising activity. This is to include, the type of fundraiser, location and the people involved.
- No fundraising activities can be conducted at Hegvold Stadium where other basketball parents are seen to be harassed – ie. no selling of chocolates at the stadium, no selling of money boards on fixture nights, no BBQ's located at the front of the stadium...unless these activities are facilitated by RBI as part of a wider fundraising approach for the Junior Representative Program.
- All Fundraising activities need to be reconciled with the applicable paperwork and reconciliations including receipts, parent donations etc prepared and submitted to the Financial Controller.
- A final date that all fundraising activities must be concluded by will be provided. Fundraising after this date must NOT take place.

- Rockhampton Basketball participates in a series of carnivals, which form the two leagues. The leagues are contested in Under 12, 14, 16 & 18 age groups, boys and girls.
- Basketball Queensland uses results from this competition series for seeding of teams to the Queensland State Championships. Only 1 team in each age group competing in CQJBC can advance to Division 1 at the State Championships. All other teams will be positioned in Division 2 or 3 depending on ladder position. The top 3 teams from NQJBC will compete in Division 1
- All Basketball Queensland Associations in the Central Queensland region are eligible to compete. The Central Queensland region includes Rockhampton, Gladstone, Bundaberg, Emerald and Hervey Bay, with other Associations potentially entering invitational teams.
- For each age group and gender there will be three (3) scheduled meets per representative calendar year.

## Section 8: Team Selection Process

### 8.1 Selection Process

The aim of the RBI Representative Team Selection process is to be:

- Fair to all players.
- Transparent and thorough, and
- Objective to the best of the panel's ability.

With that said, a level subjectivity is unavoidable.

### 8.2 Selection Of Team

The Head Coach will select the team, typically in consultation with assistant coaches and RBI development staff. Teams will be announced within a few weeks of trials.

## Section 9: Program Policies & Forms

### 9.1 Player Eligibility

All players, coaches and managers must be active and registered RBI members to be eligible to participate in the RBI junior representative program.

A player must participate in the local club competition preceding their State Championships (ie. Summer season for teams who have State Championships in January). The player is required to participate in 6 games to be eligible for State Championships based on the below formula.

$X = ((\text{number of available games before State Championships})/3) + 1$  rounded up.

For example, if there are 8 available games in the lead up to State Championships the player must have played in at least 4 games.

$(8/3)+1 = 3.66$  rounded up to 4.

In situations where there are not enough Rockhampton players to fill a team, permission may be provided for players from other Associations to join our Representative program without being required to participate in our club competition.

### 9.2 Court Time

**PARENTS AND PLAYERS SHOULD NOT EXPECT EQUAL COURT TIME FOR ALL PLAYERS AT REPRESENTATIVE LEVEL.**

The coaching staff have the difficult responsibility of balancing two potentially competing objectives. On one hand they are responsible for obtaining the best results for the team (which often involves winning as many games as possible), and on the other hand they are responsible for providing development opportunities for each player on the team.

**Coaches will strive to simultaneously achieve both objectives, however it is important for parents/guardians to understand, this does not mean all players will receive equal court time. The harsh reality is, there may be some**

# Rockhampton Basketball Incorporated Junior Representative Program

---

games in which players do not hit the court at all (although we expect these situations to be few and far between if at all).

Rockets and Cyclones teams will not have even court time.

Jets and Storm teams playing time has to be as close to even as possible on the proviso who deserves it the most through their EFFORT, SKILL, KNOWLEDGE, COACHABILITY, ATTENDANCE & COMMITMENT.

We ensure that all players receive an opportunity to develop by ensuring that EVERY child is coached (both in games and in training), and that EVERY child has a role so that they feel like a valued member of the team.

In situations where a player may have limited opportunities due to the circumstances of a specific game, it is hoped that there would be other times across the season where that player receive more equitable opportunities.

In instances where a coach perceives that they may struggle to provide adequate court time opportunities, we encourage upfront communication with player and parent to ensure correct expectations are set.

## **9.3 Coaching Staff**

RBI representative staff for each Junior Representative team shall consist of the following:

- 1 Coach
- 1 Manager
- 1 Assistant Coach (Optional)
- 1 Referee

## **9.4 Formal Complaints**

Any individual wishing to make a formal complaint against any issues relating to the Rockhampton Basketball Representative program must complete fully and sign the RBI Rep Program Formal Complaint Form and return to the RBI General Manager. These forms are available on the RBI Website.

### ***Process for making a formal complaint:***

2. Complete the RBI representative program Formal Complaint Form in full and return to the RBI Manager within 48 hours following the incident occurring.

4. If action is required all concerned parties will be contacted and notified in writing of the outcome of the complaint. A formal hearing may be required in this case.
5. If no action of the complaint is required, the complainant will be notified in writing on the outcome and the reasoning behind the decision of the RBI committee.
6. No action will be taken on any complaints unless the process outlined above is followed.

## **9.4 Social Media Policy**

### **Purpose**

Basketball Queensland (BQ) Policy when engaging with social media has set out the following guiding principles:

- The web is not anonymous, BQ members and staff should assume that everything they write can be traced back to them;

# Rockhampton Basketball Incorporated Junior Representative Program

---

- The boundaries between Participant's profession, volunteer time and social life can often be blurred. It is therefore essential that members make a clear distinction between what they do in a professional capacity and what they do, think and say in their capacity as a volunteer for BQ, their club or RBI;
- When using the internet for professional or personal pursuits, all members, staff and Directors must respect the BQ brand and follow guidelines in place to ensure BQ's intellectual property or its relationships with sponsors and stakeholders is not compromised or the organisation is brought into disrepute;
- Protect your personal privacy and that of others by not including personal information about yourself or others in your posts;
- Represent Participant's own views and not impersonate or falsely represent any other person;
- Ensure you are not abusive and do not harass or threaten others;
- Do not make defamatory or libellous comments;
- Do not use offensive, insulting, provocative or hateful language;
- Do not use obscene, lurid or offensive language;
- Show courtesy and respect for others and their opinions at all times; and
- Always use social media network forums to add value and promote basketball in a positive way.

Please refer to RBI Website for full Policy details.

## **Section 10: Referees**

Referee development is a vital component of the Rockhampton Basketball Representative program. Just as players are talent identified and selected to represent our Association, with the possibility of progressing through the Basketball Queensland and Basketball Australia development pathways, so too are Referees.

### ***CQJBC/NQJBC***

- Referees are not paid for the games they officiate. RBI will make of payment of \$50 which is to go towards the cost incurred by Referees to complete their State Championships referee uniform.

## **Section 11: Questions and Further Information**

If you have any questions in relation to the administration of the RBI representative program, your first point of contact is your Team Manager who will then liaise with the Junior Representative Committee regarding any issue they have not been able to sufficiently resolve.
